

Bespoke Training

Many companies have very specific and often varied needs. Our training courses can be adapted to reflect these.

Emergency Response Training prides itself on meeting its customers requirements, we have designed and delivered bespoke training across industry. Law enforcement agencies, media, councils and transport organisations have all found we can provide what they need.

Contact us to arrange a meeting to discuss your requirements

Why bespoke training?

- Training aimed specifically at your role, working environment and staff;
- Train with the kit you'll actually be using;
- It reflects your in-house policies;
- Get the course content you want;
- Mix and match modules.

You could have:

Half day Fire Safety awareness + Half day Emergency First Aid

Check : www.ertuk.co.uk for details of workplace requirements and other courses.

First Aid kit supplies— from dressings to defibrillators give us a call.

Prices: POA
